Whereas, it has been discovered that there was an error in the reclassifications resulting in an erroneous assessment of benefits; and

Whereas, the error consisted of a clerical error in identifying which parcels in the Northeast Quarter (NE ¼) of the Northeast Quarter (NE ¼) of Section Nineteen (19), Township Ninety-five North (95N), Range Twenty-three West (23W) of the Fifth Principal Meridian (5th P.M.) Hancock County, Iowa, except railroad right-of-way and the Northeast Quarter (NE ¼) of the Southeast Quarter (SE ¼) of Section Nineteen (19), Township Ninety-five North (95N), Range Twenty-three West (23W) of the Fifth Principal Meridian (5th P.M.) Bishop Revocable Trust was erroneously not identified as benefiting from Drainage District No. 9 Lateral 3 and was not assessed but should have been and should be assessed in that lateral for the benefits that had been assessed to Klondike Trust in such

amounts; and

Whereas, Iowa Code Section 468.65(1)(d)(1) provides for the correction of errors or inequitable assessments by the board and states:
