(Place of Meeting) (Date) (Hour)

Hancock County Health System budget for the fiscal year ending June 30, 2020, by increasing expenditures in the following funds:
(Board)

General Fund from \$ 28,960,177 to \$ 30,660,177.

Reasons for increases: The multiple year Emergency/Surgery Construction project expenses were higher in FY2020 versus FY2021 due to timing of project. Overall the project is within bid budget.

The increase in expenditures set out above will be met from increased receipts and/or cash balances not budgeted or considered in the current budget.

There will be no increase in taxes to be paid in the fiscal year ending June 30, 2020. Any residents or taxpayers will be heard for or against the proposed amendment at the time and place specified above. A detailed statement of: additional receipts (other than taxes), cash balances on hand at the close of the preceding fiscal year, and proposed disbursements, both past and anticipated, will be available at the hearing.
