

Public Notice

Interstate Power and Light, Co. plans to submit a Notice of Intent to the Iowa Department of Natural Resources to be covered under the NPDES General Permit No. 2 "Storm Water Discharge Associated with Industrial Activity for Construction Activities." The storm water discharge will be from land disturbance within road right-of-way due to utility construction activities associated with the installation of new underground electric distribution systems and retirement of existing overhead systems. The project route will be located in Sections 15, 16, 17, 20 and 21 of Township 97 North, Range 25 West (Hancock County). Stormwater will be discharged by surface drainage to an unnamed tributary to Crystal Lake (West Branch Iowa River) and an unnamed tributary to Drainage Ditch Number 114.

Comments may be submitted to the Storm Water Discharge Coordinator, Iowa Department of Natural Resources, Environmental Protection Division, 900 E. Grand Avenue, Des Moines, IA 50319-0034. The public may review the Notice of Intent from 8 a.m. to 4:30 p.m., Monday through Friday, at the above address after it has been received by the department.
